

## CHAPTER 9 - [plot outline]

### plot outline - CHAPTER 9

1. the chapter starts with a long grue section in the grue headquarters and tactical base. in this section kurt and another grue discuss riot. this section may reveal current level of mech technology available
2. the chapter begins proper with riot lost in north glasgow and not happy
3. he stumbles upon a dog daisy (8 foot tall, elephant man face, three legs) and finds him very attractive - he starts stalking the dog daisy
4. 'I am sick to the death of people who look like joey riot trying it on pal'
5. riot gets into the dog daisy's house/shack and goes inside the dog daisy's cupboard/pantry, where he finds a shrinking potion, which he drinks
6. riot's hands turn into hand cans and this makes a noise and the dog daisy finds him, but he is shrinking
7. kurt grue enters the building (he has also drunk a shrinking potion and is only 12 feet tall). he crushes the dog daisy in his fist
8. kurt cannot see riot as riot is too small even using an electron microscope, even after the potion has worn off and riot is full size again (stares at him with microscope while full size for 15 minutes)
9. -> kurt thinks riot is now a ghost because of this
10. riot gets in trouble because he thinks he is invisible
